About US ORIGINS

2002

SPAIN

When he emigrated to Spain in 2002, he moved to the city of Santander, where he established a competitive school.

This school was the breeding ground for the player Jorge Ruiz, who achieved the 44th position in the Padel Pro Tour (PPT).

It's worth highlighting that during the same period, Gustavo was among the top 8 pairs in the world as a player.

1987

The Gustavo Pratto Academy has its origins in the city of Quilmes, Buenos Aires, Argentina, around the year 1987 when Gustavo, our CEO, began giving padel lessons to support his early career as a professional player. During those years, he founded the Padel Academy of Quilmes, where Argentine and world champions were trained, particularly in the junior category, despite him being only 18 years old.

Notable examples include:

- Silvana Campus, N° 1 in Argentina.
- Dani Sandoval, with 32 appearances in the PPT.
- Guga Vázquez, also with 32 appearances in the PPT..

About US

ORIGINS

2013

COACH

After retiring as a professional player in 2013, Valeria Pavón, Cata Tenorio (WPT No. 3), Sanyo Gutiérrez, and Maxi Sánchez (WPT No. 4 pair) recruited him, and he embarked on an extensive career as a coach. He has been coaching some of the world's top pairs, and he continues to do so to this day.

A noteworthy highlight is his uninterrupted coaching participation in the Master Final from 2013 to 2021. He has played a pivotal role in the development of several players who made it to the Master Final during this period.

Furthermore, he achieved a record in terms of player participation and their level in WPT events. He successfully placed more than 12 players in the main draw, representing 20% of the total players in these competitions. This accomplishment, which is quite uncommon in the world of paddle, was realized in the city of Valladolid, his home and the location of his academy.

Due to the success of the players he coaches, the academy started attracting players from all around the world.

2006

VALLADOLID

Upon his arrival in Valladolid in 2006, Gustavo Pratto began the establishment of the Gustavo Pratto Academy.

The academy started with 5 players who were initially in the pre-qualifying rounds:

- Diego Ramos
- Adrian Blanco
- Javier Martínez
- Luciano Capra
- Fabri Cattaneo

All of them eventually progressed to the main draw directly.
