# WELCOME TO YOUR ACADEMY

## THE MESSAGE FROM OUR CEO:

### FIGHT FOR YOUR DREAM

In the pursuit of success in academics, a key formula has been identified, based on hard work, consistency, and sacrifice.

These elements are considered fundamental pillars both on and off the court, and our players must be aware of this.

### HOW DO WE OPERATE?

After more than 20 years of experience, we have consolidated a successful methodology.

Training sessions with Gustavo Pratto and his Professional Technical Staff take place at Vega Sport, Valladolid.

Each session consists of 1 daily session (M- T) + physical training.

Our entire academy follows the same methodology at all levels.

Each session lasts 1.5H in leveled groups, and players have the option to repeat the training among themselves in the afternoon.
